Jason Call is Named a Green New Deal Champion

FOR IMMEDIATE RELEASE

Jason Call, a progressive Democratic candidate for the U.S. House in Washington's Second District, has signed the [Green New Deal Pledge](#) along with 82 other candidates for Congress. [Green New Deal Champions](#) include nationally-prominent figures like Representative Alexandria Ocasio-Cortez, Senator Bernie Sanders, and Nina Turner.

This pledge sets the highest possible bar for elected officials and candidates to support some of the strongest climate and environmental justice bills in Congress. Green New Deal Champions also commit to never accepting any campaign contributions from fossil fuel CEOs, lobbyists, and political action committees.

Jason Call is challenging Democratic Representative Rick Larsen in the August 2, 2022 top-two primary. Whereas Rep. Larsen has accepted contributions from fossil fuel companies like Exxon Mobil, Jason Call has been on the front lines of progressive activism for over thirty years. Call refuses any and all contributions from any corporate PAC and is the only candidate in the race to support a Green New Deal.
